Forecast For Highland & Eilean Siar
Issued by Met Office Aberdeen
at 1600 on Thursday 28 Oct 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Showers along the west coast tonight. Mainly dry elsewhere.

This Evening and Tonight:
Mainly dry this evening with some clearer periods, showers becoming mainly confined to western coastal areas. Clouding over in the early hours which may bring some patchy rain. Rather chilly. Minimum temperature 6 deg C (43 deg F).

Friday:
A mostly dry start but rain will spread northwards through the day, becoming drier from the south later. Western Isles may stay largely dry. Maximum temperature 12 deg C (54 deg F).

Outlook for Saturday to Monday:
Some rain on Saturday morning, then drier and brighter afternoon with a few showers in the west. Mainly dry on Sunday, perhaps some rain the west. Showers on Monday.
